

Reed Manufacturing Company

Cutters & Cutter Wheels

Cutter Wheels

All Reed cutter wheels are made from high shock-resistant tool steel, while competitive cutter wheels are made from carbon steel or still lower quality tool steel.

Quick Release™ Tubing Cutters

Quick Release Tubing Cutters are the best tracking, easiest cutting tubing cutters available. Cut copper, aluminum, light wall steel, and stainless steel tubing.

Tubing Cutters

Includes tubing cutters, telescoping tubing cutters and tubing cutters for stainless steel.

Telescoping Tubing Cutters

Telescoping Tubing Cutters are a good choice for tight spaces as their feed screw keeps them a consistent size throughout the cut.

Mini Tubing Cutters

For use in extremely tight places, mini cutters require minimal swing around the tubing. Mini cutters can be used on copper, steel, stainless steel, and aluminum tubing.

NEW C Cutters

Easy-to-grip cutter snaps onto copper tubing for a quick, clean cut.

Repair Kits

Reed offers a variety of repair kits for tubing cutters.

Deburring Tools

DEB0 and DEB3 deburring tools feature a long-lasting blade to deburr copper, aluminum, and steel tubing.

CSST Tubing Cutters

Reed offers CSST Tubing Cutters in different models for cuts with the outer plastic wrapper jacket on or off. They fit 1/4" up to 2 1/2" CSST flexible gas piping.

Steel Pipe Cutters

Includes standard and 4-wheel with guides steel pipe cutters.

Pipe Reamer

Cone is made from tool steel and hardened for maximum life. Unique cutting edge makes this spiral reamer self-feeding and easy to start and operate.

Soil Pipe Cutters

Reed offers a variety of steel pipe cutters. The short handle allows for close work.

Pipe Descalers

Reed pipe descalers feature wide, tough scrapers that remove scale, dirt, and corrosion cleanly and quickly from the pipe surface to allow more effective cutting, joining, gasket/valve seating, or other operations.

Saw It® Pneumatic Saw

Saw It® provides pneumatic power and reciprocating motion to blades.

Universal Pipe Cutters

Lightweight, easy-to-use Universal Pipe Cutter models cut 6" - 48" (150-1300 mm) outside diameter ductile iron, cast iron, clay, concrete, steel, PVC, or PE pipe.

Hinged Cutters™

Hinged Cutters™ feature four wheels to cut steel, stainless steel, cast and ductile iron with only 90° to 110° handle swing.

Rotary™ Cutters

Rotary™ cutters could cut large diameter steel, most stainless steel, ductile, and cast iron pipe in close quarters.
